

Dear EAP athletes and coaches,

Athletics Club Phanos and Sporthal Ookmeer are very glad to have the opportunity to once again invite you and your team to the **Amsterdam EAP International Athletics Meeting** which will now be held on **Saturday 7th January 2023**.

We therefore ask you to consider this as our First Call for interest from EAP Delegations to participate at AMSTERDAM EAP 2023 competition.

Here is some practical information if you are considering participation in this year's EAP indoor meeting in Amsterdam.

The actual competition is on Sat 7 January, but we would like to invite you to spend a full weekend of sport and leisure in beautiful Amsterdam.

### **EAP DELEGATIONS**

Following the success of our earlier editions, we are working on organising another great event. We will host the EAP delegates according to the EAP handbook, meaning that up to 2 nights, up to 5 meals, in some cases a reimbursement for travel cost, and transport between airport/train station Schiphol, hotel and venue location is covered.

We will host delegations on a **FIRST COME FIRST SERVED** basis, so please register as soon as possible. Registering for international athletes is until **December 16<sup>th</sup> 2022**.

(It is recommended that participants are covered with an insurance in case of flight cancellations due to problems at the Dutch airports)

EAP athletes will be met on arrival at Schiphol airport either on Friday for transport to the hotel or straight to the meeting venue if you arrive on Saturday.

On Friday night we gather at the iconic 1928 Olympic Stadium – home of the 2016 European Championships – for a light pre-match training session and a buffet dinner.

On Saturday, breakfast is at the hotel and after the competition a joint dinner is planned at the Ookmeer Sports centre.

Phanos athletes look forward to getting to know you and are excited to share their knowledge of the city or explore it together on Saturday night and Sunday.
